MANUFACTURING OF BIODEGRADABLE AND 100% COMPOSTABLE
CARRY BAGS AND GARBAGE BAGS

ABOUT US :

P.s.enterprises products is the legal name. is a manufacturer and marketer of 100% compostable and eco- friendly products. p.s.enterprises is working to align with government vision of creating a sustainable and circular economy.

VISION :

P.s.enterprises wants to join nations across the globe in their effort to achieve net zero and do our part for the green earth campaign..

what we take from nature should go back to nature – that's our concept, motto, and inspiration: from nature to nature our vision is to provide an alternative to every single use plastic

WHY COMPOSTABLE BAGS?

Compostable bags are made of bio polymers, starch and natural additives and do not produce any toxic material. Compostable bags breakdown readily in a composting system through microbial activity to form compost. Compostable bags can keep landfills free of any type of plastic or waste , they go one step further by giving back to soil the nutrients it needs through composting.

WHY CHOOSE P.S. ENTERPRISES PRODUCTS ?

- TECHNOLOGY COLLABORATION WITH PRESTIGIOUS CENTRAL GOVERNMENT
- P.S. ENTERPRISES PRODUCTS ARE COMPOSTABLE (AS PER IS/ISO: 17088) AND ECO FRIENDLY.
- FREE FROM BPA, NON- TOXIC AND ARE HARMLESS FOR HUMANS AND ANIMALS.
- HOME DECOMPOSABLE AND DOES NOT REQUIRE RECYCLING. OUR PRODUCTS BREAK DOWN MUCH FASTER INTO NUTRIENT-RICH MANURE IN ROUGHLY 120 TO 180 DAYS WHICH AIDS IN GENERATING HEALTHY SOIL.
- DURABLE AND COST EFFECTIVE.
- HIGHLY FLEXIBLE AND PROVIDE CUSTOMIZATION AS PER YOUR IDEAS AND PRIVATE LABELING REQUIREMENTS TO BRING THEM ALIVE.
